What if I or an immediate family member work for a company that is not a member of FRANE?

Unfortunately, you are not eligible to apply for the scholarship program. However, FRANE continually works with companies throughout the Northeast on membership opportunities and would be happy to talk with representatives from your company. If they join and pay full membership dues prior to March 31, 2018 and you can meet the published deadlines, you would then be eligible to apply for this year's program.
