## **FRANE's Lunch n' Learn a huge hit with the trade, welcomes Kevin Coupe!**

When weather grounded event speaker, Kurian Thomas, Kevin Coupe, The Content Guy, jumped in and wowed the crowd at the launch of their Lunch n' Learn series! Kevin delivered a phenomenal, motivating and timely presentation for our Industry Leaders.

Immediately following, buyers, category managers, and store teams were welcomed to a private reception to meet and network with manufacturer and broker representatives from throughout the Northeast. Opportunities like this are unmatched in our industry and the feedback has been very positive. FRANE's Lunch n' Learn series will continue throughout the year. Look for the next date and location coming soon!
